Right from the entrance to the apartment we can notice its brightness. Two bedrooms in a large enough space, with a generous, semi-open kitchen and a bright living room with exit to a small but cute terrace, where you can be an observer of the daily life of the city.

This apartment, located in an exceptional area, in Marbella Center, close to the beach, transport and everything necessary for a quiet life, has been recently reformed, with many new appliances, and others kept in the original, but in a perfect condition. The new owner will be the first resident of this apartment. Since the construction of the building until now, no one has lived in this property. You can be the first!
