Costa del Sol, Casares Playa

Spacious garden apartment within the prestigious Finca Cortesin resort, offering 24 hrs security and the very best golf & hotel facilities at your doorstep.

The apartment itself is a spacious ground floor corner unit boasting an open panoramic view over the golf course, sea and surrounding landscape as well as plenty of outdoor space in the form of covered and open terraces and a private garden.

Upon entry, there is a spacious hall with guest WC and access to the living room with open plan kitchen.

The kitchen is fully equipped with Siemens appliances and has its own access to the side terrace and private garden.

The living room consists of a dining area and lounge with fireplace, further leading into a spacious covered terrace equipped with window curtains. This effectively doubles the living room space in the wintertime or doubles your outdoor terrace space in the summertime.

Stepping out from the covered terrace area, either to the open terrace in front or side terrace with private garden, there is plenty of outdoor space to enjoy whether you want to enjoy the sun or rather cool down in the shade.

The master bedroom with en-suite bathroom also has access to the main terrace.
