Costa del Sol East, Caleta de Vélez

This beautiful property is perfect for anyone who wants to invest in a big family house with a lot of potential and different possibilities. Or for someone who is looking to open a B&B style business. The property is made up by 10 apartments which are completely independent. This would make it ideal to use as an investment, however, you can easily unify them and make a family home. At the moment there is no pool but there is space to build one and a garden area with it. The house has 2 garages, but only one has a car access at the moment as with all of the parking space outside it is not necessary to open it up and it is used as storage. Dont miss this opportunity to buy a house with the best views Caleta de Vélez has to offer. We are pleased to be able to present this dream property to you soon, either personally or via virtual viewing. Because this world, it is unique - just like our Axarquía. In Andalusia. On the Costa del Sol. Here, on the sunny side of life...
